

**POSITION:**

**GARDENER**

POTTED UP is a boutique landscape firm offering landscape design, installation and maintenance services. Our work is customized, sensitive, and site-specific to client requirements and desires, and inspired and crafted from an array of styles to achieve the objectives and goals of each project. Paramount to the success of our business is the establishment and maintenance of collaborative and enduring business relationships with our clients.

Potted UP is committed to the selection, growth and development of talented individuals from within and outside the Landscape Design profession who have demonstrated talent in design, horticulture and excellence in service delivery.

**Job Title: Gardener**

Primary function is to provide garden installation and maintenance services to Potted UP's clients. This position is a hands-on, growth position directly reporting to the Garden Services Manager.

**Required Qualifications:**

- Demonstrated interest in gardening and horticulture
- Massachusetts Driver's license with excellent driving history
- Prior hands-on gardening and/or landscaping experience desired
- Punctuality and clean, professional work attire on a daily basis.

**Competencies:**

- General Landscape/Gardening Knowledge and interest in Landscape/Garden Design
- Hands-On Work Experience: Ability and desire to roll up sleeves and install plant and planting materials with the highest level of design aesthetics in keeping with client requirements and desires
- Ability to act as a team member, creating a collaborative and respectful team environment.
- Ability to communicate and interact professionally, cheerfully and respectfully with clients, co-workers, vendors, and others.
- Other tasks as assigned

**Physical Nature of the Job:**

- Requires extensive physical outdoor gardening work, including heavy lifting, transport, planting, pruning and removal of plants, garden supplies, containers, and tools.
- Substantial portions of the work are performed in unprotected outdoor gardens and roof decks, and often require climbing of multiple flights of stairs with garden materials and equipment.
- Requires frequent driving to/from client homes, garden supply stores, and Company offices.
